

Frequently Asked Questions

Manav Rachna Scholarship Test 2022 (MRST)

What is MRST?

MRST is a Scholarship Test for Grade 5 to Grade 10 at various Manav Rachna International Schools spread across 5 cities.

MRIS initiated the Scholarship Test last year with the aim of appreciating & supporting academically meritorious students with upto 100% scholarship on tuition fee at the futuristic Manav Rachna International Schools. The test is also aimed to challenge the school students in order to encourage and promote academic excellence in a healthy competitive manner.

Is the Manav Rachna Scholarship Test only for MRIS students?

The Scholarship Test is open to MRIS and as well as Non-MRIS students.

Which grades is the MRST valid for?

Manav Rachna Scholarship test is valid for students from Grade 5 to Grade 10.

Please note: Test for students currently enrolled in Grade 9 and moving to Grade 10 is only valid for MRIS students with an exemption for outstation students planning to shift cities in the forthcoming session.

What is the Syllabus for MRST?

The Scholarship Test will test Conceptual Clarity and Higher Order Thinking Skills in Math, English, Science and Logical Reasoning.

The test will cover the complete syllabus of the current class and it will be a concept & competency based test not restricting any text books or publications.

Dates for Scholarship Test

The Manav Rachna Scholarship Test is scheduled for November 26, 2022.

How to Apply?

The Manav Rachna Scholarship Test form is available at the school website - www.mris.edu.in.

Kindly visit the same & fill all the relevant details. You can also visit the school branch and seek help in filling the form.

Where will the exam be conducted?

The test will be conducted in physical mode at various Manav Rachna School centres. While filling the form, participants can select the MRIS branch closest to them and appear for the Scholarship Test on the scheduled day.

What is the registration fee for MRST?

INR 100 + taxes will be charged at the time of registration (no examination fee will be charged). The amount can be paid online or offline by visiting the school.

When is the result declared?

The Manav Rachna Scholarship Test Results will be declared on or before 15th December 2022.

What is the format of the Test - Subjective or Objective?

The test will be conducted in both objective and subjective format. The objective type questions will be answered in the question paper and subjective type questions will be attempted in the answer sheet provided with the question paper.

What is the exam structure?

Duration of the test will be 2 hrs and Maximum Marks 100.

Reporting Time for Scholarship Test : 9.15 AM to 9.30 AM

Reading time - 9:45 - 10 AM

Exam timings will be 10 AM - 12 Noon.

What is the criteria for availing the Scholarship?

For Non-MRIS students - Scholarship benefits can be availed only by the students taking Admission in Grades VI, VII, VIII, IX & XI for the session 2023-24 in any branch of MRIS (Grade IX going to Grade X Test is available only for MRIS students and outstation Students who plan to shift cities in the forthcoming session).

There will be a 100% Waiver on Admission Fee and Tuition Fee.

Transportation (if availing), security fee, academic resources and annual charges will be payable.

The Top achievers will be decided on the percentile basis with a minimum of 70% Marks .

For MRIS students - Scholarship will be given in the form of 100% waiver on tuition Fee which will be upto 75% of the composite fee depending on the Grade. Transportation (if availing), academic resources and annual charges will be payable.

Student Guidelines

On the day of the test, the student will be required to carry and keep in mind the following-

- ID Card of the school
- Admit Card/Letter of Communication received from MRIS
- Required: Stationery, water bottle, hand sanitizer and mask
- Please reach the school chosen at the given time to avoid inconvenience.
- In case of fever or any symptoms of cough & cold, please do not attend.

Important note:

This scholarship is merit based and valid for one academic session only. If the scholar continues to do well academically, has an aggregate of 95%, has been regularly participating and performing well in benchmark tests like the Olympiads, the scholarship will roll over to the next academic session as well. However if the scholar does not meet the above criteria, he/she can re-appear for the Scholarship Test next session.
